Party Meet Set

It looks like Randall County American Party will be skimpy on delegates when it holds its first county convention at 10 o'clock Friday morning on the east lawn of Randall County court house.

Only nine delegates from three precincts have been certified with Randall County clerk. Eight of these nine—from names and addresses registered with the clerk—seem to be man and wife teams.

Three American Party precinct conventions were held last Friday.

The big precinct—as far as delegates are concerned—is Precinct 14 which boasts a half dozen delegates certified for the county convention.

F. B. Davis is chairman of that precinct. In Precinct 12, where William M. Anderson is chairman, only William M. Anderson and Mrs. William M. Anderson were certified as delegates to the county convention.

Things were even tougher delegate-wise in Precinct 11. The lone delegate is A. J. Forrester, Jr. He also is listed as precinct chairman.

Plans and policies of the new party are not crystal clear. Precinct chiefs have kept mum on this subject.

When contacted for a statement Precinct Chairman Forrester said he had no comment at all.

"My experience with newspapermen hasn't been good," he told a reporter. "They twist things and misquote."

Party notices filed with the county clerk's office here prior to precinct conventions indicated that the reason for a county convention is to elect delegates to a state convention.

The party's state convention is to be held Oct. 27 at the Stephen F. Austin Hotel in Austin.

Some observers believe the purpose of the party is to support former Alabama Governor George Wallace for President in 1968.

Four Seek Judge Post

Randall County commissioners at a meeting Monday afternoon took no action on four applications for county judge.

The applications were not opened at the meeting.

Commissioners court is expected to appoint a successor to County Judge Lloyd King, who died a week ago Friday night, within the next week.

Cox announced that he would not be an applicant to fill out Judge King's unexpired term. He previously had told commissioners he would be an applicant but did not intend to be a candidate for a full term.

Would Need 200 Workers

Canyon is being considered as a site for a garment factory which would employ up to 200 persons.

Bert Shapiro, West Patterson, N.J., president of Formaker Foundation Company, was in Canyon Monday morning meeting with civic and business leaders in connection with possible location here.

Shapiro said his firm eventually will employ about 200 persons. "We have in mind to begin small and grow," he declared.

"The female labor market is our prime concern," Shapiro declared.

Formaker has two plants located in New Jersey, one at West Patterson and one at Belmar. Last year the company grossed \$1 million.

Shapiro said he is vitally interested in locating in this part of the country. He said 60 percent of his business is with J. C. Penny Company and about 60 percent of that business is in the Southwest.

CROP Drive Milo Yield Favorable Is Planned

Plans for the annual Christian Rural Overseas Program (CROP) were made at a recent meeting of the Canyon Christian Youth Council.

The drive will raise funds to purchase seed, fertilizer and farm equipment for underprivileged persons overseas. Sponsored by the CCYC, the drive will be held Thursday, October 26. Members of the group will canvass the city during the drive. Each CCYC worker will be identified with an official CROP badge.

New officers for the CCYC were also elected at the meeting. Elected as president was Darleen Williams. Others were Mary Starnes, vice president; Melody Jones, secretary; and Joyce Hoover, publicity chairman.

Yield prospects for irrigated grain sorghums in Kansas County this year are favorable, according to County Agent John Brazzil.

About 40 percent of the total amount planted—some 90,000 acres—is on irrigated land this year, he said, although no exact figures are available.

While irrigated milo will produce a good yield, harvest of dryland grain sorghums will be small this year due to insufficient moisture at planting time. The lack of moisture slowed the planting process until almost mid-summer as no appreciable rains fell until late June and early July.

"This irrigated harvest is going real good," Brazzil stated, "but right now most of the cutting is on that grain sorghum that was planted early."

there have been some reports of good yields on dryland milo, Brazzil said.

"The dryland grain sorghums in those two sections of the county look pretty good, but we are concerned that an early frost could hurt the crop as the grains have not fully matured yet," he explained.

"The very variable rainfall we had," he explained, "will mean that dryland harvest of milo will be a bit on the short side this year."

Brazzil said, however, that many of the irrigated farmers had been pleased with yields.

"Of course," he said, "we don't know what the thrash-out percentage will be until you pull the combines into the fields, but I have heard reports of up to 9,000 pounds per acre being cut here." He said maize dwarf mosaic, a disease that had threatened the crop, has done little apparent damage.

The exact number of acres planted in grain sorghums is difficult to determine, he concluded, because although the base for the county is set at about 115,000 acres, many of the farmers participated in a federal government 20 per cent reduction program.

There was also some dryland grain sorghums planted on wheat land acres abandoned early this spring due to lack of moisture and green bugs.

INSTALLING OFFICER Lynda Taylor, left, presents the gavel to Joan Lane, new president for the Canyon High School chapter of the Future Homemakers of America. The installation was conducted Monday night at the CHS auditorium.

FHA Officers Are Installed

Joan Lane was installed as president of Canyon High School chapter of the Future Homemakers of America in rites Monday evening in the CHS auditorium.

The installation was conducted by Lynda Taylor, past president of the group. Miss Taylor was presented with a long-stemmed red rose and a charm at the conclusion of the ceremony.

The stage was centered with a large table covered with a white cloth bearing the FHA emblem, eight white candles, a large red candle and a bouquet of red roses. The candles were lit to symbolize the eight purposes of FHA during the ceremony. The red candle represented the light of home economics.

Other officers installed were Cindy Holcomb, first vice president; Cindy Jones, second vice president; Marilyn Lewis, third vice president; Leta Cranmer, fourth vice president; Mary Cummins, fifth vice president; Lorey Mentzer, treasurer; Molly Malone, recording secretary; Susan Lindeman, corresponding secretary; Kay Orson, reporter; Debby Marrs, historian; Ted Walker, parliamentarian; Tony Gibson, song leader; and Lynda Markham, pianist. Sponsor for the group is Mrs. Juanna Jo Essary.

stalled and would not affect the present fire rate. All homes in Hunsley Hills have built-in incinerators as do several business establishments here.

In other action involving Hunsley, city dads told the developer they would extend a water line in the Hunsley Hills section.

Commissioners agreed to tie two existing lines together with a loop rather than have two dead-end water lines. Primary cost will be tearing out old smaller lines and replacing them with a four-inch line, Davis said.

Although a resolution and contract granting Jerry LaGrone a \$562.50 per month

subsidy on his ambulance service was discussed, approval was not given because the final paper work had not been completed.

The ambulance matter will be brought before the commission Oct. 30.

Also to be discussed at the next meeting of the city dads will be an ordinance amendment that would allow J. O. Lee of Hereford to operate a taxi cab service here.

The amendment excludes a six-months residence requirement from the present ordinance.

A brief discussion was held concerning the purchase of land to expand the city's sewer plant facilities, but no action was taken.

Commissioners voted to ask for bids for a vehicle to be used by the Canyon Fire Department, replacing a 1963 model station wagon.

Fire department officials said they would prefer a sedan rather than another station wagon to carry men and emergency equipment.

High-speed emergency runs into the county made by the CFD can be more easily handled with a sedan, Capt. Joe Rice said.

Commissioners were told that two mail applications and several local residents had applied for the position of tax assessor-collector, a post recently vacated by Alan Ratliff.

City dads will conduct their next meeting Oct. 30 instead of the regular Nov. 6 session because Davis and Commissioner George Ritter will be in Houston attending a meeting of the Texas Municipal League.

county clerk's office has been spent.

Cost of the microfilming is \$20 per 1,000 pages. Documents have not been filmed since February. Commissioners delayed action on whether to appropriate additional money to bring the microfilming up to date. Olson said it would require an expenditure of about \$300.

Commissioners voted to rescind the purchase of a two typewriters from a low bidder because the machines do not meet specifications.

The court agreed to purchase two Royal typewriters from Wolf Machine Company for \$351.

County Clerk Leroy Hutton told the court that four electronic card punch voting systems have been submitted to the Texas Secretary of State but none have been approved.

The court has been contemplating purchase of such machines at \$180 each to replace mechanical voting machines. Votes could be counted from the punch cards at the IBM computer center at Killgore Research Center here.

Commissioners voted to employ Andrea Rylant at \$271.50 a month in the county clerk's office to replace Betty Treadwell who has resigned.

will be handed out at the kickoff meeting and first reports on the drive are due one week later, according to McGlasson.

Majors for the 1967 campaign will be Mrs. Lee Roy Moreland, Mrs. Robert B. Brotherton, Bud Hickman, W. B. Harris, Joe Gidden and Don Vars.

Mrs. Lee Roy Moreland will serve as Major for Group A. Captains for that group are Mrs. Harry Widick, Mrs. Dudley Moore, Jr., Mrs. Johnny McBroom, Mrs. Sam Jolly, and Mrs. George Stevens.

Group B, headed by Mrs. Brotherton, will have Joe Markham, Mrs. Troy Martin, Mrs. Jack Bullock, Mrs. J. L. Uphaw and H. R. Fulton Jr., as captains.

Headed by Bud Hickman, Group C captains will be David Uhl, Mrs. D. C. Lindley, Bill May, Mrs. Charles Gerald and Mrs. Lawrence Hunnicutt.

W. B. "Battle" Harris will serve as Major for Group D. Captains of the group are Mrs. Louie Davis, W. E. Miller, Clark Jarnagin, and Jozach Byrd.

Group E, headed by Joe Gidden as Major, will have the following captains: Bill Davis, Wayne Wirt, Bill Wilson, Jerry Jacobs and Keith Jones.

Don Vars will be Major for Group F. Captains are Jody Magness, Dick Dawdy, Chuck Allen, Eddie Knowles and Mrs. Don Vars.

attributed a part of the increase to growth of the economy and new people coming into the area. "It also reflects progressive banking," he said.

First National Bank has become a depository for West Texas State University. On Oct. 4, the date of the bank's current statement of condition, West Texas State had on deposit in First National Bank \$1,027,255.33, according to Everett Gray, cashier.

The current statement of condition of West Texas State Bank lists \$1,907,236.26 in deposits as compared to \$1,330,620.77 shown on the June statement. This is an increase of \$536,615.46.

West Texas State Bank was not open for business at this time last year. "We attribute our growth to the support of people of Canyon," declared David LeVins, West Texas State Bank president.

Jacobs explained that procedures were being changed to update the process and make more data available in the bookkeeping department at the school.

Through the use of Burroughs machines, the bookkeeping will be changed to allow for easier preparation of the budget and make buying for the school through a purchasing office.

Approved for employment were Mrs. June Carlile, Mrs. Opal Freeman and Mrs. Lucille Whitmill. The school now needs, Jacobs said, a home economics teacher and nurse.

Shapiro noted that employment provided by his firm would not be seasonal.

The garment firm head appeared pleased with existing buildings shown him. He said his company is not in need of any financing to get started.

An announcement on the location of the plant is expected early next year.

Shapiro is 38 years old and has been in the garment manufacturing business for the past 15 years. He is owner of Formaker Company and that firm has been in existence for the past five years.

Shapiro said he would not bring in a labor force if he establishes a plant here but would depend upon the local supply of labor to provide workers.

DAVE SZYMAKOWSKI shoves aside San Jose State defender Al Saunders as he picks up a sizeable gain with a Roy Winters pass Saturday night in Buffalo Bowl. West Texas won 28-14.

Bufs Invade Aggie Territory

BY JON LOW
The relentless West Texas State Buffaloes will be out to break a four-year home winning streak Saturday night when they invade Las Cruces, N. M., for their annual donnybrook with the New Mexico State Aggies. Kickoff time is set for 8 p.m. (MST).

Saturday's game, ranked as a tossup in most quarters, marks the 21st engagement between these two grid powers who annually rank with the strongest independents in the Southwest. West Texas State has won 14 of the meetings, compared to five wins for the Aggies. There has been one tie.

Coach Warren Woodson's Aggies are paced by the passing of four-year starter Sal Olivias, who is the nation's third-ranked passer based on number of completions. Olivias has hit on 59 of 134 for 689 yards, but has coughed up 10 interceptions. His completion percentage is .440.

By contrast, the Buffs' jun-

ior quarterback Roy Winters has an accuracy of only .404, but he has moved for 896 yards and has yielded only three interceptions.

Aggie fullback Doug Dalton entered last week's Wichita clash ranked as the nation's fourteenth rusher with 361 yards. By contrast, the Thundering Herd's Eugene Morris and Duane Thomas were second and ninth with 557 and 394, respectively.

Steve Haterius should rate a serious threat to the interception-prone Olivias. The senior Buff safety is among the top interceptors in the nation with six steals, which he has returned for 82 yards.

Statistically then, the Buffs appear to have the edge, but all statistical logic can be thrown into the waste basket, because the game is in Las Cruces—at least this has been the case for the past four years.

Last year a 38-yard field goal by West Texas kicking specialist Tommy Fambrough gave the Buffs a 17-14 victory before

a Buffalo Bowl audience of 13,300.

"We don't know whether we're big enough, strong enough, or good enough to defeat the Aggies," says Papa Buff Joe Kerbel. "I know the Aggies will be up for us because they have designated this as their homecoming game. I feel we'll be equally dedicated to the task of winning this game."

The Buffs, ranked among the nation's leaders in total offense and scoring, bring a 4-1 record into Saturday's fracas. After suffering a 44-27 loss to Utah State in their second game of the year, the Maroon Avalanche has reeled off convincing victories over University of Pacific (34-6), Colorado State (24-14), and San Jose State (28-14). The Buffs beat small college power Montana State 35-26 in the season opener.

Coach Woodson's team will bring a 3-1-1 record against West Texas. The Aggies have posted wins over Lamar Tech (24-3), Utah State (10-9), and Wichita State (28-14). They have been tied by North Texas State and lost to the University of Texas at Arlington 15-14.

The Aggies are a big team overall, but the defensive line is particularly monstrous, as usual. This year the NMSU front wall averages 252 pounds per man. Al Gonzales, a 240-pound guard, is the beefiest man in the offensive line, while 300-pound defensive guard, Ruby Jackson is definitely the heaviest man on the defensive squad.

Through five games, West Texas has been impressive both in moving the football and in the maturing of its defense.

Don Tardy and Haterius head up a strong secondary, while headhunters Carl Heilman and Jesse Powell have been brilliant at linebackers and Jimmy Campbell and Dave Whitnirre have shone in the front four.

Morris and Thomas head the rushing list with 621 and 431 yards, respectively, and are far ahead of teammates in that category. Winters has run up 940 yards of total offense.

Charles Henderson and Dave Szymakowski have been the busiest receivers with 13 each, but Henderson has stretched his into 284 yards while Szymakowski has 246. Morris is the team's scoring leader with 30, just ahead of Fambrough's 28 and Thomas' 24. Szymakowski had 18 points on three touchdowns. Kickoff return expert Curley Waters is among the best in the country with 293 yards on 11 returns.

Conner threw seven times and completed two for 87 yards, while Wood hit his only throw on a safety valve lob to Conner for five yards.

The player of the week selected by the Eagles was tackle Tommy Tucker.

Lynx Squeek By Eagles 7 To 6

An extra point kick by Charles Shieldnight gave the Spearman Lynx a narrow 7-6 win over the Canyon Eagles Friday night in Lynx Stadium at Spearman.

The Eagles came to the threshold of their second win of the year on three occasions, but were always denied by the victorious Lynx.

Gary Faries bulled over from the 11 with 7:54 left in the second quarter but Shieldnight's extra point boot for a 7-0 lead did not seem significant at the time.

Canyon tallied on a one-yard plunge by halfback David Thomson with 1:36 left before the half, but a pass for two points fell incomplete, and instead of giving the Eagles a 8-7 lead, left them trailing 7-6. The 67-yard drive took 14 plays.

The Eagles had driven to the Spearman one yard line on their second possession of the game, but at that point Lon Conner fumbled into the end zone and an alert Lynx recovered to deny the Eagle score. Conner had driven Canyon 56 yards in 11 plays after Bob Wood had recovered a fumble by Spearman's Jimmy Brown at the Lynx 43.

Phil Swatzell picked up most of the yardage in that march on blasts into the middle of the line.

Late in the fourth quarter Conner uncorked a pass to Wood, who had slipped behind his defenders, and the play went for 65 yards to the Spearman nine. Wood took the throw ten yards in the clear but was run down from behind by speedy Lynx Wesley Jenkins.

The Lynx defense stiffened and forced Canyon to go for a field goal on fourth down and goal to go at the seven. Wood's 23-yard attempt with 1:58 left never had a chance because Shieldnight crashed through into the Eagle backfield as the ball was being set on the tee and swatted it down.

Both teams moved the ball well throughout most of the game, despite the low score. The defensive teams of both sides asserted their presence more in the second half. The Lynx rolled to 228 yards on the ground but got nothing in the air for a total of 228, which the Eagles matched exactly. Canyon got 141 overland and 87 in the passing department.

Tony Gibson stalled several Spearman drives. On one occasion he threw Joe Cochran for a six yard loss on first down that the Lynx could not make up

and forced them to punt three plays later. Later Gibson wrecked another first down play when he tackled Jimmy Brown for no gain, and after a loss and a penalty, had Spearman 31 yards for a first down. A 30-yard sweep by Jenkins netted 30 on the next play, however, and only a tackle by Calvin Yarbrough prevented a touchdown.

Ronnie Russell broke into the enemy backfield several times to set Spearman back, and fellow tackle Tommy Tucker also turned in some strong defensive work. Coach Jim Greenwood singled out Tucker for the most consistently good work on defense.

Offensively, Eagle fullback Swatzell rushed for 68 yards on 19 carries, but was shaded for rushing honors by Faries, who knocked out 94 yards on 21 trips.

Sophomore David Erwin carried only three times, but picked up 14 yards and two first downs. One was a clutch run that led to the only Eagle score.

Conner threw seven times and completed two for 87 yards, while Wood hit his only throw on a safety valve lob to Conner for five yards.

The player of the week selected by the Eagles was tackle Tommy Tucker.

Cow boys Humble Groom Tigers 34 To 6

The Happy Cowboys picked a most opportune time to snap out of a losing streak as they celebrated their 1967 homecoming with a 34-6 stampede over the Groom Tigers.

Halfback Zeke Frost was too much offense for Groom, and the Tigers managed only a single score against the fierce Happy defense, led by end Joe Bill Dempsey.

Quarterback Don Maynard flipped a pass to Frost for the first Happy score, which covered 30 yards. Maynard had a hot night in the passing department, completing seven of nine for 150 yards. Frost caught five of the throws. A conversion run by Jesse Ramos was successful.

A two-yard scoring run by Dean Bryan gave Happy a 14-0 lead at the half.

The Tigers scored in the third period, only to have the Cowboys roar back with 20 points in the final quarter to clinch the victory. Frost scored all three of the final period touchdowns for the Cowboys. The first came on a run, the second on a nine-yard pass from Maynard, and the third on a scintillating 70-yard dash.

Coach Sam Mayo's Cowboys ate up 430 yards of total offense, 280 on the ground and 150 in the air. Frost led the rushers with 120 yards. Bryan

had 67.

Dempsey was a virtual one-man wrecking gang, intercepting two passes, blocking a punt, and getting in on 13 tackles. Linebacker Jackie Schiller also blocked a punt and was in on 13 stops. Bryan led Happy tacklers with 16, while linebacker Curtis Fowler had 10.

Falcons Unbeaten

Canyon's Kids Incorporated Falcons remained unbeaten but were finally scored on in taking a 12-6 win over tough Amarillo Southlawn Sunday at Canyon Junior High School.

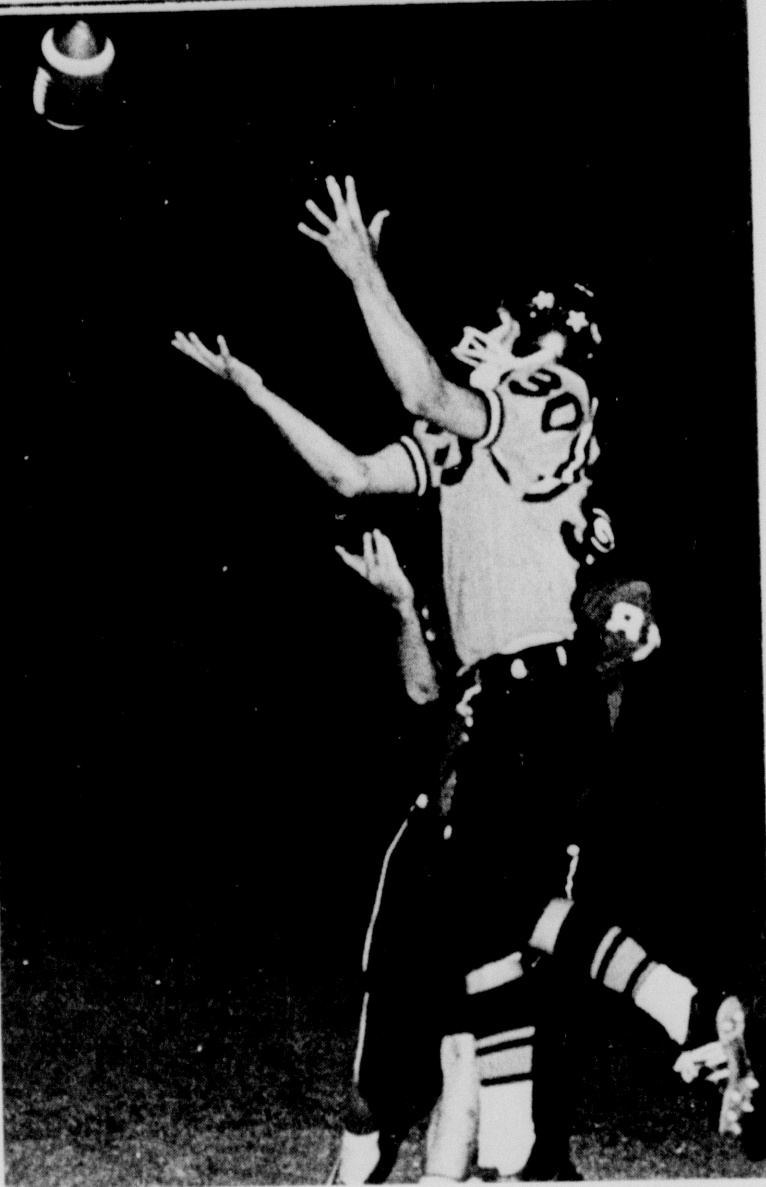

In winning, the Falcons knocked Southlawn out of first place and replaced them atop the Prairie League standings. Canyon is now 2-0 in league play, while Southlawn is 2-1.

Canyon jumped to a 6-0 lead in the first half, and scored again before Garland Jones ran a kickoff back 65 yards for the Bears' only score. Tailback Kevin Robins put the Falcons ahead on an 11-yard scoring run in the first quarter, on which he broke four tackles on his way to the goal line. Quarterback Ed Lair tallied the other Canyon score in the third period on a four-yard crack around right end. All extra points

attempts failed. Guard Larry Pate was honored with the Falcons' Sportsmanship Award, while guard Maurice Whittenberg received the Mad Falcon Award. Previous winners of the Sportsmanship Award were Randy Abbott and Jody Moore. Former winners of the Mad Falcon Award were Robins and Dennis Collier.

Lair was the big gainer in the Canyon offense, picking up 106 yards rushing. Defensive standouts were linebackers Gary Bednorz and Lair, line-men Pate, Whittenberg, Moore, and Steve Hatch, and cornerback Mark Byars. Leading the blockers were Whittenberg, Pate, Andy Cooper, and Doug Day.

The Falcons defend their number one ranking against Sanborn Sunday at 2:30 p.m. in Amarillo's El Alamo Park.

LEAPING HIGH for a touchdown pass is Happy's Zeke Frost in the Cowboys' 34-6 homecoming win over the Groom Tigers Friday night. The pass came from Don Maynard and covered 30 yards. Frost scored four touchdowns, rushed for 120 yards, and caught five passes in the rout.

AC Downs Stompers

Abilene Christian's 'B' team ran up a 15-0 lead and coasted to a 25-20 victory over the West Texas State Stompers in Brownfield Thursday night.

The determined West Texas freshmen, strengthened by the addition of seven sophomores to their roster, used the passing of Ralph Anderson and the running of halfback Aaron Banks to narrow the Wildkittens' lead.

ACC's Jim Lindsey tossed nine yards to Ben Jennings to climax an 80-yard scoring drive with 8:14 left in the initial period. With 34 seconds remaining before the half, Lindsey fired 27 yards to Jimmy Stevens for another score. A kick by Fred Koontz and a pass from Lindsey to Stevens accounted for the extra points.

Only one second showed in the first half when Banks zipped far downfield and ran under Anderson's pass for a 54-yard touchdown.

The Stompers came right back on the first play of the second half with the same play, this time for 63 yards. David Hall's second conversion kick left West Texas trailing only 15-14.

Jennings boosted the Kittens' lead with a three-yard run in the third to cap an 83-yard march, and Koontz' kick made it 22-14. A 49-yard field goal by Mike Melton midway through the fourth quarter changed the count to 25-14, but the Stompers got in the last word.

Don Moon's 55-yard kickoff return started a drive that reached the ACC 25 before the ball went over on downs.

Anderson hurled a four-yarder to Leroy Broaden for a score with only 1:16 showing on the clock to make the final score 25-20.

The game was the Stompers' first of the season.

Seventh In Loss

Canyon Junior High's Seventh Grade fell to Hereford Stanton 14-6 Tuesday night at Canyon High Field. A brilliant passing game by the visitors proved more than Canyon could handle.

Stanton scored first on a 10-yard pass play, and then used a 50-yard pass and run play to break a 6-6 tie late in the third quarter.

Canyon's score came after a successful onsidies kick at the start of the second half. The Eagles scored in two plays, with Matt Hanson going over from the 15. Hanson also carried on the other play and picked up a big gain off a block by Roger Burton.

Coach Wayne Phemister revealed that Sammy Kerbel "Played his usual good game on defense" as did Rocky Chambers. Both are linebackers. Gary Byars also drew the coach's not for his play at quarterback.

The Seventh Grade goes to Hereford next Tuesday for a 5 p.m. game against La Plata.

These parasite amebas are a primitive form of animal life which reproduce by just dividing in half. One can soon become millions. They are the cause of Amebiasis, generally known as Amebic dysentery. They are swallowed with food and drink, and burrow into the large intestines.

Beginning symptoms are not too troublesome. But, after they accumulate, they travel to the liver, heart, lungs and brain and a small percentage of cases are fatal. Symptoms are easily confused with those of appendicitis, colitis, peptic ulcer, intestinal cancer and others. Your physician can cure Amebic dysentery in about 95% of cases and control the rest if treatment is not too delayed.

Director for the Texas Farm Bureau.

Excessive speed, Bullard pointed out, is the greatest single cause of automobile accidents.

Following the presentation of a traffic safety film, several CHS students and teachers took part in tests with a specially equipped automobile.

The test driver was signaled to stop by an electrically controlled detonator. The street was automatically marked with yellow paint when the signal to stop was given, when the brakes were applied, and when the car came to a complete stop.

Distances between the stops were measured to determine the distances between reaction and braking distance.

Driving the tests cars were Stan James, Cathy Gerald and CHS Coach Alan Wadsworth.

Assisting with the program were Larry Daniels, Keith Keeling, Ronnie Wooten, Melody Jones, Beverly Brown, Mary Starnes, Molly Malone, Chris Cooper and Ronda Riley.

Fred Olson represented the Farm Bureau here.

Buffaloes Smother Spartans 28-14

The passing of quarterback Roy Winters to flanker Charles Henderson and an aroused defensive performance carried West Texas State to a 28-14 win over the pass-minded San Jose State Spartans in Buffalo Bowl Saturday night before a crowd of 11,500.

Henderson, a sophomore with blazing speed, scored on passes of 56 and 19 yards from Winters, and caught five in all for 132 yards.

The Buffalo defense turned in two touchdowns with recoveries in the end zone of a Spartan fumble and a blocked kick.

All-America quarterback candidate Danny Holman sparked a 14-point fourth quarter rally for the visitors, but despite Holman's completing 16 of 29 passes for 208 yards, his team fell two touchdowns short.

West Texas scored on its first possession of the game on a 55-yard drive of three plays. Facing a third and eleven situation on his own 44 after Eugene Morris had been thrown for a yard's loss, Winters fired down the middle to Henderson. Hot-foot Charley did some fancy running and went 56 yards for the score with the game only 2:20 old.

The Buffs scored again late in the first quarter when line-backer Jesse Powell recovered a fumble in the end zone. San Jose State had just taken over the ball on downs at their own nine, from where they lost back to their own two on two penalties and a running play. On a

second down and 17 to go play from the two, halfback Clarence Kelley fumbled the ball back across the goal line where Powell fell on it.

Henderson palmed his second score with 4:41 left in the third period on Winters' 19-yard pass into the back of the end zone. The play capped an 84-yard drive of 12 plays. Key gains in the move were passes of 23 and 21 yards to Henderson.

The Maroon and White chalked up its final score on a block-

ed punt that rolled into the end zone and was recovered by tackle Jimmy Campbell with 1:36 to go in the third period. With San Jose on the Spartan 21 and facing fourth down and 24 to go, Randy Cardin's punt was blocked by the aggressive Powell, who sent the ball bouncing back into the end zone where Campbell outwrestled Cardin for it.

Holman, who found the mark of 16 of 29 passes and was the most accurate passer in the nation last year, drove the Spartans to two fourth quarter touchdowns.

A three-yard run by Kelley completed an 80-yard drive of nine plays that featured Holman's passing of 33 and 14 yards to Rudy Luehs and 20 to 57' Frank "Action Ant" Slaton. The first SJS score came with 12:11 remaining in the game.

The Spartans scored again with 3:47 to go on Kelley's two-yard run, putting the lid on a 16-yard push of five plays. The opportunity was provided when Spartan Steve Alexakos recovered a fumble by Winters on the WT 16. Holman's 13-yard toss to Kelley was the chief advance.

Steve Haterius, the nation's number two pass interceptor going into the game, stole two of Holman's throws to thwart serious Spartan threats deep in Buffalo territory.

Tommy Fambrough, who entered the clash as the nation's sixth-ranked kick scorer, converted after every West Texas score to increase his kicking streak to 19 of 19 for the year.

Buffs Eugene Morris and Duane Thomas, who started the game rated second and ninth nationally in rushing, picked up only 64 and 37 yards, respectively, against the fierce San Jose State defense.

Coach Joe Kerbel's Herd, which was second in the nation to Tulsa in total offense and third in team rushing behind only UCLA and Oklahoma, is a team blessed with many individuals high in national statistics.

Winters entered the game seventh in total offense and produced 194 yards against San Jose. Morris was 14th in total offense, and was in a tie for ninth in scoring. Return specialist Curley Watters took a second ranking in kickoff returns into the SJS tilt.

Making a sensational debut in handling the kickoff chores was kicking specialist Donie Pruitt. Pruitt kicked two completely off the end of the field, and forced the SJS returned to down another deep in the end zone in five kicks.

The leading rusher of the night was Kelley, who had 88 yards in 22 carries.

Defensively, the busiest head knockers for West Texas were Powell with 20 tackles, guard Louie "Mudcat" Spinks with 17, and cornerback Don Tardy with 11.

San Jose's record dropped to 0-3 for the year with the loss, while the Buffaloes raised their mark to 4-1 for the year.

Eagles To Play Hereford Eleven

The Hereford Whitefaces host the Eagles of Canyon Friday night in the 1967 Hereford homecoming game that opens district competition for both District 1-AAA teams. Kickoff time has been set back to 8 p.m. because of the homecoming ceremonies. It was previously slated for 7:30 p.m.

The Whitefaces bring a 3-2 record into the clash against the 1-4 Eagles. Hereford's last game was a 27-7 win over Portales two weeks ago, before joining Dumas and Tulia in taking a week off before entering the district race.

The Eagles were nipped 7-6 by Spearman, but were unable to capitalize on several opportunities for victory.

The Whitefaces have lost to AA power Olton and to Monahans, but have posted convincing wins over Floydada (41-6), Hale Center (34-0), and Portales. Elusive speedster Ernie Williams, a 170-pound senior full-

Walling Out To Build Buffalo Cage Fortune

"Buffalo Basketball is Booming!" That's the slogan adopted by the West Texas State University basketball coaching staff to remind fans that a new look is in store for the 1967-68 season.

The Buffaloes, under the direction of new head coach Dennis Walling and his first year assistant Les Pollock, are going all out to rebuild West Texas cage fortunes. Judging from the Buff's response in their first workout conducted here Monday afternoon, this year's slogan could become a reality.

"Response in our first two drills has been excellent," says Walling, a slow smile crossing his face. "I've been impressed by the reaction of several of our players. If they continue to work as they've done today, I see no reason why we can't compete with the teams on our rugged schedule."

Last season the Buffs sunk to their worst season, managing but one victory in 19 starts. This year, thanks to some ban-

ner recruiting and solid help from returnees and sophomores, the cage complexion could change.

Perhaps the brightest spot in the team's first workout has been the play of 6-6 forward Simmy Hill, West Texas' 1967-68 All-America candidate.

DENNIS WALLING

"Simmy simply defies description," says Walling. "He has all the moves of Elgin Baylor."

What does Hill do best? "Put pressure on the defense," replies Walling. "Driving with the ball he's a demon because he's got Baylor's great moves and body control and Oscar Robertson's talent for feeding the open man."

Putting pressure on opponent's defenses is nothing new to Hill. Last season he averaged 25.8 points a game in leading a strong Cameron College of Lawton, Okla., quintet. Hill also led Cameron in rebounding and was a unanimous junior college all-American selection.

"Simmy was one of the most sought after junior college athletes in the nation, and we feel fortunate in getting him," says Walling. "I place him in a class with Alcindor, Hayes and Unseld."

Aside from Hill, the new Buff mentors are also expecting solid support from four other

promising junior college transfers, six returning lettermen from last year's team and five promising sophomores.

Foremost among the returning lettermen is Mike Mitchell, a 6-3 guard from Roswell, New Mexico. As a sophomore last season, Mitchell led Buff scorers with an 18.9 scoring mien. He also hit a solid .829 percent of his free throws to help boost the Buffs to a national first in free throw accuracy. Forward David Nowlin, who averaged 8.5 points a game last season and junior guards Valton Franklin and Dale Morris could also figure prominently in Walling's rebuilding effort.

Another big man in Walling's 1967 plans is Maurice (Mo) Savage, an imposing 6-9 transfer from Cameron. Savage is regarded as a top pivot candidate because of his rebounding prowess and amazing big man speed.

Adding additional board strength to next year's team will be junior college transfers Jeff Rowles of Santa Barbara Col-

lege of California and Gale Rhine of Dallas Baptist College. Another front-line candidate is Derrith Welch, a 6-5 letterman on last year's squad.

In seeking to bolster the front-line, Walling hasn't failed to recruit backcourt firepower. A first step in that direction

was taken when Walling signed Lonnie Speck, a talented floor general from Dallas Baptist. Speck red-shirted last season after transferring from Sam Houston College. He's regarded as an outstanding ball handler and a tenacious defensive player.

Lending additional support to the 1967-68 squad will be promising sophomore guards David Cole and Mike Horton, forwards Mike Kimmins and Rick Bacon and center Johnny Burkhalter.
